Start off St. Patrick's Day with the Green Breakfast of Champions

If you're planning on going to the St. Patrick's Day parade or taking part in one of the many pub crawls happening around the city tomorrow, make sure you start your day off on the right foot by eating a hearty breakfast!

In honor of St. Patrick's Day, [Village Pourhouse Downtown](#) and [SideBAR](#) are bringing back the Green Breakfast of Champions buffet (\$20, includes entry, breakfast, drink specials) starting tomorrow morning at 8 AM. With a green-colored spread of eggs, pancakes, and bagels, along with Lucky Charms cereal, you will have a chance to fill up and be energized to tackle your day. Of course, cap off your meal with green beer to put you in the holiday spirit and get you going.

Village Pourhouse Downtown and SideBAR will be celebrating St. Patrick's Day all weekend long. If you enjoy green beer, you can purchase a Lucky Shamrock ticket to get access to the 4-hour green beer open bar (\$60, also includes entry, breakfast, drink specials). Pubcrawlers, you don't have to wait until tomorrow to start crawling. Purchase the Pot-o-Gold ticket, a 3-day all-access pass to New York City's St. Paddy's Pub Crawl (\$85, includes entry, breakfast, drink specials), and start celebrating today.

No matter what you have planned to celebrate St. Patrick's Day, don't go out on an empty stomach! The Green Breakfast of Champions will be available until 12 PM. For more information and to purchase tickets, visit www.iadventure.com.
