## New York Irish Bars for Everybody, From the Classy to the Slightly Less Classy

It's St. Patrick's Day. Or maybe you missed it. Either way, New York is an ideal place to get your Irish on outside the mother country. But, although they share the same DNA, no two Irish pubs are exactly alike. To get the Irish drinking experience in New York, you could go on one of these **groovy pub crawls from pubcrawls.com**, or you could let us help you choose the rail that's right for you with this selection of pubs tailored to your personality type. If you get there first, order us a Kilbeggan and a pint of the Genius, please. Click **here** for our latest Top List: **New York Irish Bars for Everybody, From the Classy to the Slightly Less Classy**.
