WHAT:

When you think of nightlife in Las Vegas, images of massive nightclubs automatically come to mind. One aspect of Vegas that's commonly overlooked is their great bar scene, and seeing as most of the best bars are within walking distance in Sin City, PubCrawls.com has decided to make it the next location for one of their infamous events!

Guests will be able to participate in 3 different PubCrawls occurring over the course of 3 days. The producers of the World's Largest PubCrawl are coming to Las Vegas for one of the most anticipated holiday parties of the year - St. Patrick's Day! Once guests receive their PubCrawl map, they are free to visit any PubCrawls.com bar at any given time. This is your opportunity to have a great time and be a part of a historic event!
