THIS HOLIDAY WEEKEND

We're taking some time off to stuff ourselves like that poor bird currently brining in our fridge. Enjoy Thanksgiving (except you vegans), and we'll see you back on Monday.

Turkey, Tanked: New York City Turkey Pub Crawl

If you've had too much family this week, this is the perfect excuse to get some air (by which we mean "hammered").

Bar all: Mean Fiddler, Three Monkeys, and more offer \$2 drafts, \$3 bottles, and \$4 well drinks.

Sat 3p-4a. [Register](#) at Little Town, 366 West 46th St. (8th Ave.), Midtown. \$1 [registration](#) **here**.
